Press Release

The Appointment portal for International Protection Applicant Card Renewal is now operational

The portal, through which asylum applicants will receive information regarding their scheduled appointments for the renewal of their International Protection Applicant Cards, is now operational. From now on, renewal of cards will only be performed on a scheduled appointment basis.

Asylum applicants must type in their case number at the following link: <https://apps.migration.gov.gr/applicant-card-rv/search>. They will be promptly informed regarding the time, the date and the service where they should go, along with their family members, in order to receive their renewed cards.

As it has already been announced, international protection applicant cards have been extended according to the last digit of their case numbers. However, in order to receive their renewed cards, applicants will have to go to the appropriate office after being informed regarding their prescheduled appointments through the link above.

More specifically:
