"FIRST RECEPTION" Application - Reception and Identification Service / Mapping of Foreigners Traffic / Police On line
(©Directorate of Informatics/HPH)

Remarks:

- (i). It should be noted that in the processing, analysis and recording of the data (of all diagrams) the movements to the mainland have not been taken into account.
- (ii). The defragmentation and generally the processing concerns a file extracted from the Database of the FIRST RECEPTION Application on 27/06/2023.
