Remarks:

- (i) The statistical data concerning unaccompanied minors are provided with every reservation as this is a dynamic phenomenon. It depends on the data or/and characterizations recorded by the respective graded operators in the FIRST RECEPTION Sub-System (POL) and the UNIFIED FIRST RECEPTION AND ASYLUM INFORMATION SYSTEM and of course on the possible orders of the competent Prosecution Authorities regarding the assignment or non-assignment/care of minors.
- (ii) It should be noted that in the processing, analysis and recording of the data (of all diagrams) the movements to the mainland have not been taken into account.
- (iii) The defragmentation and generally the processing concerns a file extracted from the Unified First Reception and Asylum Information System on **14/02/2024**.
