Jan-25	418	11	429
TOTAL	5.090	49	5.139

** The data on applications for International Protection of unaccompanied minors for the period January 2024 – December 2024 have been updated as part of the data revision process for the year 2024, a process that is carried out at least twice a year. The update of the data is considered appropriate as in several cases the registration of the relevant vulnerability takes place later than the initial registration of the application for international protection in the information system.*

6a. Type of Decisions – 1st Instance
